

You Men who have never worn our Shoes really don't know what good shoes you can get for \$2.00, \$2.50 and \$3.00. You have paid 50c more for every pair of shoes you have worn, for we actually sell \$2.50, \$3.00 and \$3.50 shoes at 50c under price.

Investigate our New Oxfords and compare them with others sold at 50c more and you'll surely decide on ours. Get a pair here on approval. Get another pair elsewhere. Take them home and compare them. You'll buy ours, and you'll find they are built to wear.

We want the men of this town to know that the shoes we sell are really better than others that are sold at the same price.

The Shoes will bear out all we claim for them because they are actually better. We pay more for them. We sell them for less. We are determined to get the Men's shoe business of this town by giving more actual shoe value than any other store.

fireless cookers

Save fuel, work and over-heated house by using a Fireless Cooker.

Prepare vegetables and meats during cool morning hours and put them in cooker, there to stay without thought or worry until dinner, when they will be hot, savory and ready to serve.

Foods cooked in a Fireless Cooker are more wholesome and digestible than when cooked in usual manner—steamed through and through—every part equally cooked and delicious.

Used intelligently Fireless Cookers will become as indispensable as refrigerators and are great savers of fuel, as all that is required is a partial cooking before placing in cooker and the heating of dishes.

We find the Bakorost Fireless Cookers best—fitted with metal heating discs and aluminum utensils—\$8.00 to \$19.50.

TERRIBLE STRAIN RESULTED NOT AMISS

A Lenoir Lady, After Two Weeks Grinding Labor, Feels Better Than Ever.

Lenoir, N. C.—"I am not tired at all, and am stouter than I have ever been," writes Mrs. Kate Waters, of Lenoir, N. C., "although I have just finished a two weeks' wash. I lay my strength to Cardui, the woman's tonic. I have taken a lot of it and I can never praise it enough for what it has done for me. I can never thank you enough for the advice you gave me, to take Cardui, for since taking it I look so well and am stout as a mule."

You are urged to take Cardui, that gentle, vegetable tonic, for weak women. Its use will strengthen and build up your system, relieve or prevent headache, backache and the ailments of weak women.

It will surely help you, as it has helped thousands of others, in the past 50 years.

RECORD BREAKER BIG PARADE TO BE

When the Grand Union of the Elks is Held at Atlantic City.

ATLANTIC CITY, June 7.—The limited amusement of the whole some sort, ranging from bathing in the tumbling breakers, roller chair rides up and down the Boardwalk with its ever-changing ensemble of hurrying, pleasure-seeking multitudes by day and by night; sailing and automobileing, to dancing on the military pier with their big military bands, cake walks and minstrel shows; a constant interchanging of visits by lodges in the hotel circle, carnivals and receptions galore, will be Atlantic City's watchword during the week of July 10, when more than one hundred thousand Elks and their friends are expected to be here for the twenty-fifth Grand Lodge Reunion.

Atlantic City's Business.
"Because pleasure is the stock in trade of the great resort, and no other city under the sun has developed to such a high degree the business of providing amusement for the great American public when it banishes dull care and takes the annual holiday, Atlantic City Lodge of Elks proposes to provide for its brethren more wholesome amusement to the square inch than any other community could supply with three times the cash capital."

In short Atlantic City will hold "open house" for one week for the great order of Elksdom and everything pertaining to it. Plans working to that end have reached the final stage of perfect readiness. It only remains to hang out the flags, turn on the music and extend the glad hand.

Record Breaker Parade.

Reports pouring into reunion headquarters indicate that the parade, always a stellar feature of the Grand Lodge meetings, is to be a record breaker. Lodges which never before uniformed their members will send large delegations to the shore reunion. Lodges of Eastern Massachusetts at a meeting in Boston a week ago, arranged for transportation for three times as many representatives as have ever attended a Benevolent Protective Order of Elks reunion.

Ohio, Indiana and the middle West will move shoreward in solid trains without change of cars. The South also is to evidence the development of Elk spirit in that section by sending large delegations. To provide for the rolling stock required to transport the hosts of Elksdom shoreward will be an even greater task for railroad traffic managers than that which confronted them during the national encampment of the Grand Army here last September.

The G. E. R. Circular.

Grand Exalted Ruler August Herrman, of Cincinnati, in an official circular has called the attention of the Elks all over the country to the fact that a section of the order's constitutional law provides that any proposed amendments to existing statutes of the order must be submitted in writing and filed in duplicate with Grand Secretary Robinson in Duquesne at least thirty days prior to the convening of the Grand Lodge.

Under this provision matters of great import to be acted upon at the Atlantic City convention must be made of record not later than June 10. Another part of the Grand Exalted Ruler's circular recounts the fact that all persons wearing the Grand Lodge badge or the ladies' insignia will be admitted without charge to the steel pier during the week of the reunion. Atlantic City lodge made the neat sum of \$2,500 to make the great pier the property of the order for the time being.

RUB OF SNUFF

Results in Capture of Boy for Trying to Steal a Horse.

MORGANTOWN, June 7.—The attempt of Benjamin Roberts, 13, to take a horse belonging to B. F. Luning from the Westtown baseball grounds, has resulted in his imprisonment and may result further in a trip to the reformatory at Pottsville. He was chased and caught. "I stopped to take a rub of snuff, and they were coming too fast for me," is the way the lad puts it.

Y., and on his return some additional pool tables will be installed, and a cigar and tobacco stand will be operated in connection with the place.
